Your payment plan amount is calculated on your current account balance, which is your total term tuition and fee balance less any accepted financial aid, which will be applied directly to your account. Your monthly payment amount will be adjusted for changes on your account due to class changes (adds/drops), financial aid changes, or any charges on your student account balance. This adjustment will be made after the add/drop period and prior to your final two payments. You will be notified by e-mail of the change.

You should review your agreement balance online through My FACTS Account or call the South Dakota State University Cashier's Office at 605.688.6116 to confirm the change.

If you need to change your account information, address or phone number on your tuition payment agreement, please contact Nelnet Business Solutions at 800.609.8056.
